Home, Together: The New Federal Plan

Home.
Because we know that the only true end to homelessness is a safe and stable place to call home.

Together.
Because the solutions are going to take all of us working together, doing our parts, strengthening our communities.
Home, Together: Our Shared National Goals

• Ending homelessness among Veterans
• Ending chronic homelessness among people with disabilities
• Ending homelessness among families with children
• Ending homelessness among unaccompanied youth
• Ending homelessness among all other individuals
Structure for *Home, Together*

**Operational definition:** Comprehensive response that ensures homelessness is prevented whenever possible, or if it can’t be prevented, it is a rare, brief, and one-time experience.

**Criteria and benchmarks:** Essential elements of comprehensive systems and the outcomes those systems must be able to achieve.
Rare, Brief and One-Time: Essential Elements for Youth

**Criteria**
- Identify all unaccompanied youth experiencing homelessness
- Prevention and diversion strategies; immediate access to low-barrier crisis housing and services
- Coordinated entry processes
- Act with urgency
- Continue to prevent and quickly end future experiences of homelessness

**Benchmarks**
- Few youth experiencing homelessness at any given time
- Swiftly connected to safe and stable housing opportunities and permanent housing options

**Core Outcomes**: stable housing, permanent connections, education and employment, and overall well-being.

MIAMI HOMES FOR ALL

VISION
Everyone deserves a place to call home.

BACKBONE TO THE HOMY COLLECTIVE
The HOMY Collective - Helping Our Miami-Dade Youth is a collective impact effort of 100 agencies working together to address youth homelessness.
DEFINITIONS
How we define experiences of homelessness matters. Why? Because it triggers whether students and families can access services. This report mostly uses the federal Education for Homeless Children and Youth Program definition. Homeless assistance programs from the U.S. Department of Housing and Urban Development (HUD) and the State of Florida also have their own definitions and regulations.

PLACE OF NIGHTTIME RESIDENCE
If families or unaccompanied youth lack a fixed, regular, and adequate nighttime residence, they are experiencing homelessness. That includes:
- Doubled-up
- Couch surfing
- Living in motels, hotels, FEMA trailers, or camp grounds
- Living in emergency shelters
- Living in transitional housing
- Living in abandoned in hospitals
- Staying in cars, parks, public spaces, vacant buildings, substandard housing, bus or train stations, or other places not designed for sleeping

UNACCOMPANIED YOUTH
"Unaccompanied" youth is generally a minor or young adult who is not in the physical custody of a parent or guardian. The National Law Center on Homelessness & Poverty lists examples of these youth to include:
- Were asked to leave home by a parent
- Left home with the consent of a parent
- Do not have formal custody papers or arrangements while their parents are in the hospital, jail, or a rehabilitation center
- Ran away from home
2017-18 FLORIDA DATA:

The number of students experiencing homelessness has nearly tripled in the past decade.

95,873 STUDENTS EXPERIENCED HOMELESSNESS

88,023 LIVING WITH A PARENT OR GUARDIAN
7,850 UNACCOMPANIED YOUTH

WHY?

AFFORDABLE HOUSING SHORTAGE
Only 23 rental units are affordable and available for every 100 extremely low-income renters

BETTER IDENTIFICATION
School staff are reaching out to students who are doubled-up or in shelters and motels

NATURAL DISASTERS
1 out of 5 students in Florida experienced homelessness as a result of hurricanes, including students moving to Florida from Puerto Rico after Hurricane Maria
